

Taaleem and EdisonLearning are looking for highly qualified and experienced staff to support a new, exciting government educational initiative in Abu Dhabi, United Arab Emirates.

Taaleem is a school management organisation established in 2004 in Dubai, United Arab Emirates, by an international team of education experts. It operates nine early childhood, primary and secondary schools in the United Arab Emirates offering a range of top international curricula including British, International Baccalaureate and American programmes, and an innovative, multi-lingual Early Childhood curriculum.

EdisonLearning provides a range of frontline school improvement, educational services and school management solutions in the UK and the US. Through continuously-updated research into best teaching and learning practice worldwide, EdisonLearning offers educational models that are innovative, practical and coherent, answering the needs of our communities in the 21st century, and providing an education that stimulates, challenges, and prepares students for a fulfilling adult life.
